

IELTS WRITING TASK 2 PRACTICE PAPER

1. There is a growing demand for fresh water nowadays and this is becoming a global problem.

What are the causes and solutions?

2. Many people think that too much attention and resources are given to the protection of wild animals and birds.

Do you agree or disagree?

3. Children today are too dependent on computers and electronic entertainment. It would be better to encourage them to spend more time outside playing sports and games.

Do you agree or disagree?

4. Some people say that public libraries are an important public resource and should be free. Others say that they are just a waste of public money.

Discuss both views and give your own opinion.

5. Most high-level positions in companies are filled by men even though the workforce in many developed countries is more than 50 percent female. Companies should be required to allocate a certain percentage of these positions to women.

Do you agree or disagree?

6. Nowadays more and more people have to compete with young people for the same jobs.

What problems does this cause?

What are some possible solutions?

7. In many places, traditional food has been replaced by international fast food. This has adverse effects on individuals and society.

Do you agree or disagree?

8. More and more people are visiting historic sites and sometimes tourists damage these ancient sites. The number of people visiting these places should be strictly limited.

Do you agree or disagree?

9. People prefer to watch foreign films rather than locally produced ones.

Why do you think this happens? Should the government support local filmmakers financially?

10. Some people think that governments should invest more in public services instead of wasting money on arts such as music and paintings.

To what extent do you agree or disagree?
